The 2021 FFN GOLDEN TOUR proposes an allocation formula for prize money, which is inspired by our sports philosophy : « Swim fast in the morning ».

Then, 35% of prize money for swimmers will be awarded for results in the morning heats, the remainder being shared according to the ranking in finals with a noticeable novelty, the increased status of the 4th ranking.

Beware : the athletes withdrawing for finals won't be allowed to get their prize money earned in heats !

The coaches will also be valued through the results of their swimmers, all stages included.

TOTAL PRIZE MONEY : 83 600€

DISTRIBUTION : 88% for swimmers / 12% for coaches
